Bellingham Memorial
Middle School

BAND

Band Highlights

Students in Band receive one lesson per week with others who play the same instrument. They also receive two Band rehearsals per week, when all band students come together and play.

EVERYTHING HAPPENS DURING THE SCHOOL DAY, and no core instruction time or specialist classes are missed!

Students will feel successful, welcomed, and have the chance to shine in a positive and encouraging environment.

All students can be successful on their instrument. Please contact Mr. Glynn to see how band can be beneficial for your student.

Students Say...

"Usually I am shy, but band gives me a chance to be up on stage in front of people and not be nervous. Band also gives me the chance to have fun everyday."

"Playing in Band has given me a positive view of my school and lets me have a period where all I need to bring is an instrument and a positive attitude."

"When you pick up an instrument it's like learning how to talk all over again in a new language."

🎵 BAND IS FOR EVERYONE! 🎵

For Students

Band is...

- FUN!
- a place to meet new friends
- a time to learn something new and different
- a group where everyone is welcome
- something everyone can be a part of

When you join band, Mr. Glynn teaches you everything you need to know including how to play songs, read notes, and take care of your instrument. You don't need to know anything about music in order to join...

you just have to be willing to try your best!

For Parents

Band...

- Is a way to acclimate your student to a new school and make new friends
- Encourages students to stay organized, focused, and teach them the importance of working hard to produce positive results
- Can help improve student achievement, listening skills, concentration, and human cognition
- Is something hundreds of students participate in every year
- Is a way to learn music, which is essential for the full development of every child

Parents Say...

"My daughter has been in the band at BMMS for the last three years and plans to continue with band throughout her high school years. I have found that band has greatly increased her confidence in herself and her abilities and has given her an opportunity to make new friends with kids who have similar interests. Band has also brought to light a greater appreciation for music in general. We have had a very positive experience with band and would encourage children to join."

Getting an Instrument

Students can choose from:

Flute, Clarinet, Saxophone, Trumpet
Trombone, Baritone/Euphonium, and
Percussion/Drums.

The best route to getting an instrument is by renting one from Rick's Musical Instruments (Cumberland, RI).

We also have a limited quantity of school-owned instruments to be loaned out at no charge. WE CAN WORK AROUND ANY FINANCIAL BURDENS. Band is for everyone.

Please go to:

www.BellinghamMusic.org/join

for more information about each instrument, and renting, buying, or borrowing a school-owned instrument.
